Subject: Lower Columbia River hydropower NPDES permits

Hi Missy,

I just wanted to reach out to you to see if you had any questions on the NPDES permits for Bonneville, The Dalles, and John Day. We don't have any movement yet on the permits, but if you'd like any background on them or have questions, please feel free to let me know. I just talked with Matt Drumheller about the McNary and Lower Snake River permits, so he thought you might be interested in similar information. I'll certainly let you know if there's any movement on going out for public notice. However, at this point, we are still working on the permits.

Feel free to let me know if you have questions. Thanks!

Jenny Wu
